Attention: Ted Harrison (Web master 5 RAR Association)

Hi Ted,
My name is David (Blue) Coleman Ex A & B Squadron 3rd Cavalry Regt. Whilst in B Squadron I worked a lot with 5 Battalion and went through the battle of Bin Bah with you on the 5th & 6th of June, 1969.

As a hobby I produced Regimental rings as presentations for some of our younger soldiers returning from Afghanistan to our Regiment in Townsville. An Ex Iraq veteran from 5/7 battalion has asked me to produce a ring for him which I have completed out of Pilbra Gold and Silver from Broken Hill and cast in Sydney - 100% Australian made.

This ring has really been accepted well and I would like your permission to display this Australian masterpiece on your website.

I can be contacted via this means or on the phone numbers below.

Yours fraternally,
David (Blue) Coleman
